SUBJECT

: Agreement between CIA and the Secret  
Service Concerning Presidential Protection

1. Reference is made to your memorandum of 19 June 1968 (OGC 68-1117) concerning the captioned Subject. This matter has been reviewed by appropriate components of this Office, in terms of availability of manpower and commitments to other matters.

2. This Office, in conjunction with other components of the Agency, is currently lending support to the Secret Service at the Republican National Convention. Therefore, in order to make the original agreement more meaningful, it is agreed that a second amendment is in order. It is the recommendation of this Office that such amendment be made to add a provision which allows for the loan of CIA personnel to aid in the newly authorized protection of Presidential candidates.
